About Us

Orchid Blush is a bespoke team of make-up artists and hair stylists based in the North West of England. We supply make-up artists and hair stylists to the individual and media industry. The majority of our assignments are bridal and special occasion work and a growing number of commercial make up assignments.

About the Job

We require a high standard make up application/hair skills. We require you to represent Orchid Blush in a positive manner and convey a high standard of service to our clients. We require punctual, reliable, professional freelancers. There is no set uniform but we require you to be well presented on assignments. You must carry valid insurance and have access to car to travel to jobs.

You will be offered different types of assignments and if you choose to accept the assignment the job sheet will then be sent through to you with full details of job and fees for that job. Once the assignment is accepted cancellation of that booking may result in you not being offered any further bookings in the future.

Orchid Blush

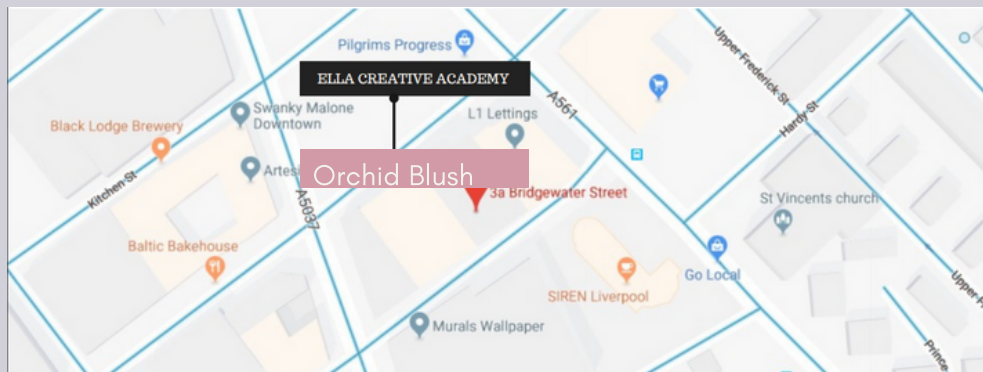

We do not employ our artist's directly but assign jobs to the freelancer, which they then invoice for. From when we receive your completed invoice we usually pay within ten working days into the bank account of your choice. If you are not registered as a self employed make-up artists we can employ you as an Agency artist and we pay you through PAYE wageslip into your bank account.

You will be provided with a rate sheet, which is the guideline amount for jobs however please check the individual job sheets for exact fees as this may differ occasionally)

As part of your interview we will require you to demonstrate your skills in your either make up or hair. (We will require you to show a bridal and a smokey eye look so please bring your make-up kit
